STATEMENT FROM HYDER ALI ALIYARCommissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I am Hyder Ali Aliyar, a named inventor (miss named as Aliyar H. Ali) in the above-identified patent application and its corresponding international application (PCT/US2004/028637). This statement is file in support of my removal as an inventor. Although I was a research scientist working under the direction of Dr. Nathan Ravi and was a co-author on several publications with Dr. Ravi, I did not contribute to the conception of the invention claimed in the above-identified patent application. Therefore, I support the removal of my name as an inventor in the application. Further, my naming as an inventor in the international application was an error and occurred without intention on my part.

Respectfully submitted,

Hyder Ali Aliyar

Date: 10 March 2007.
